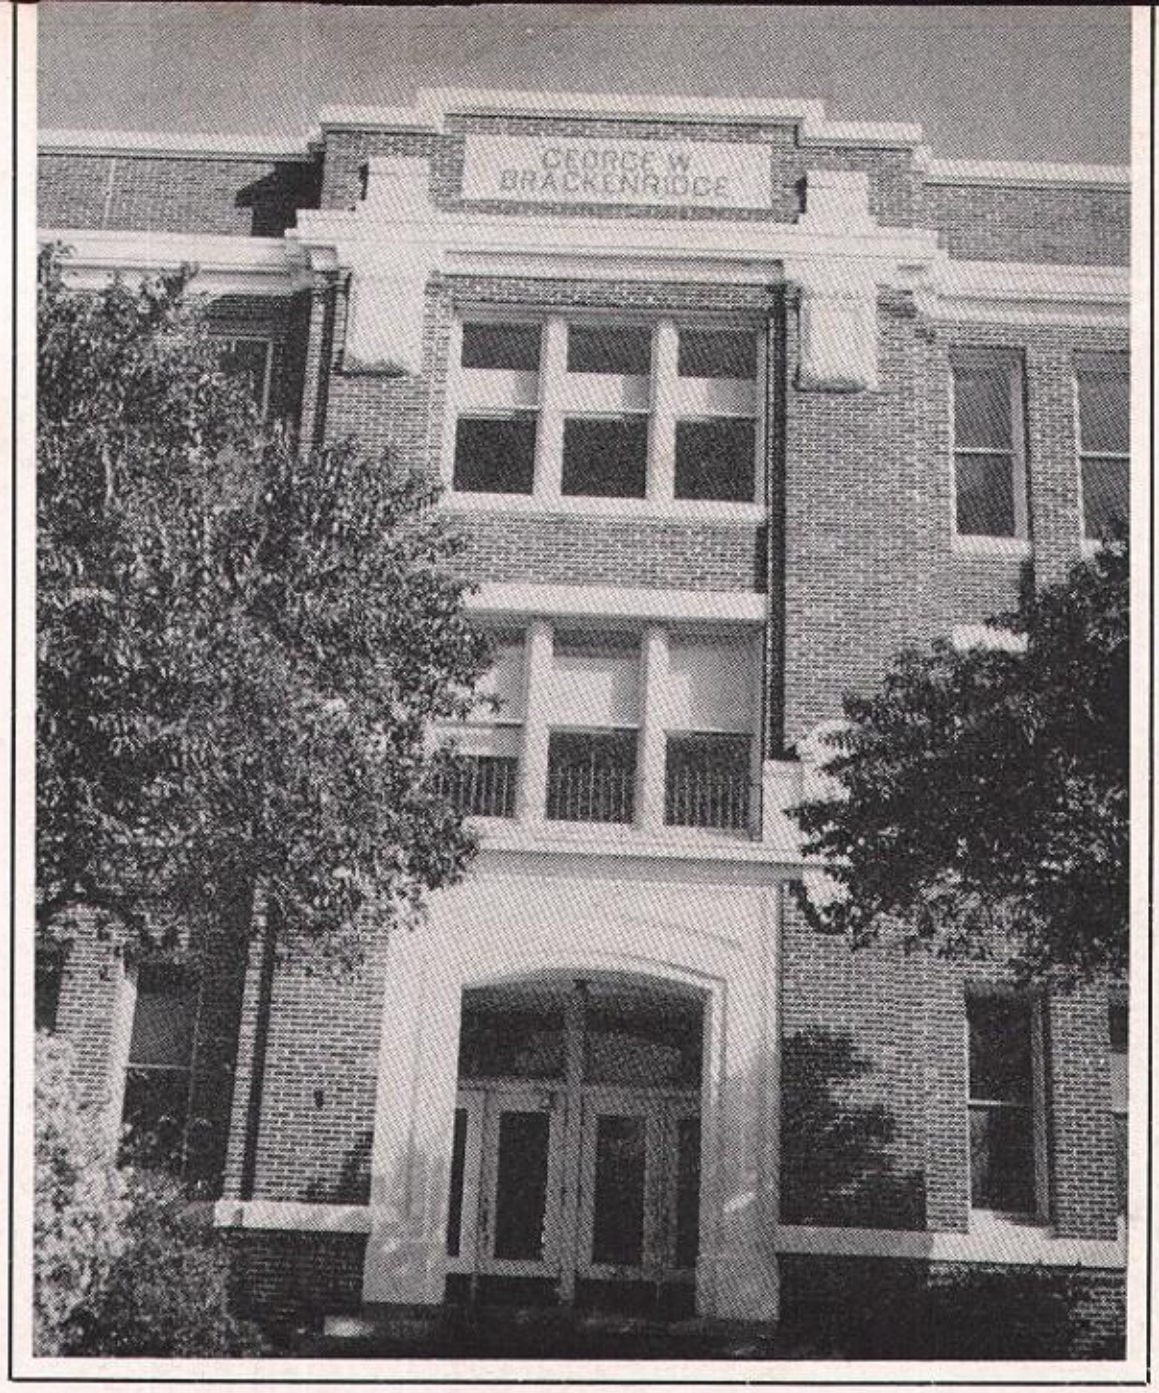
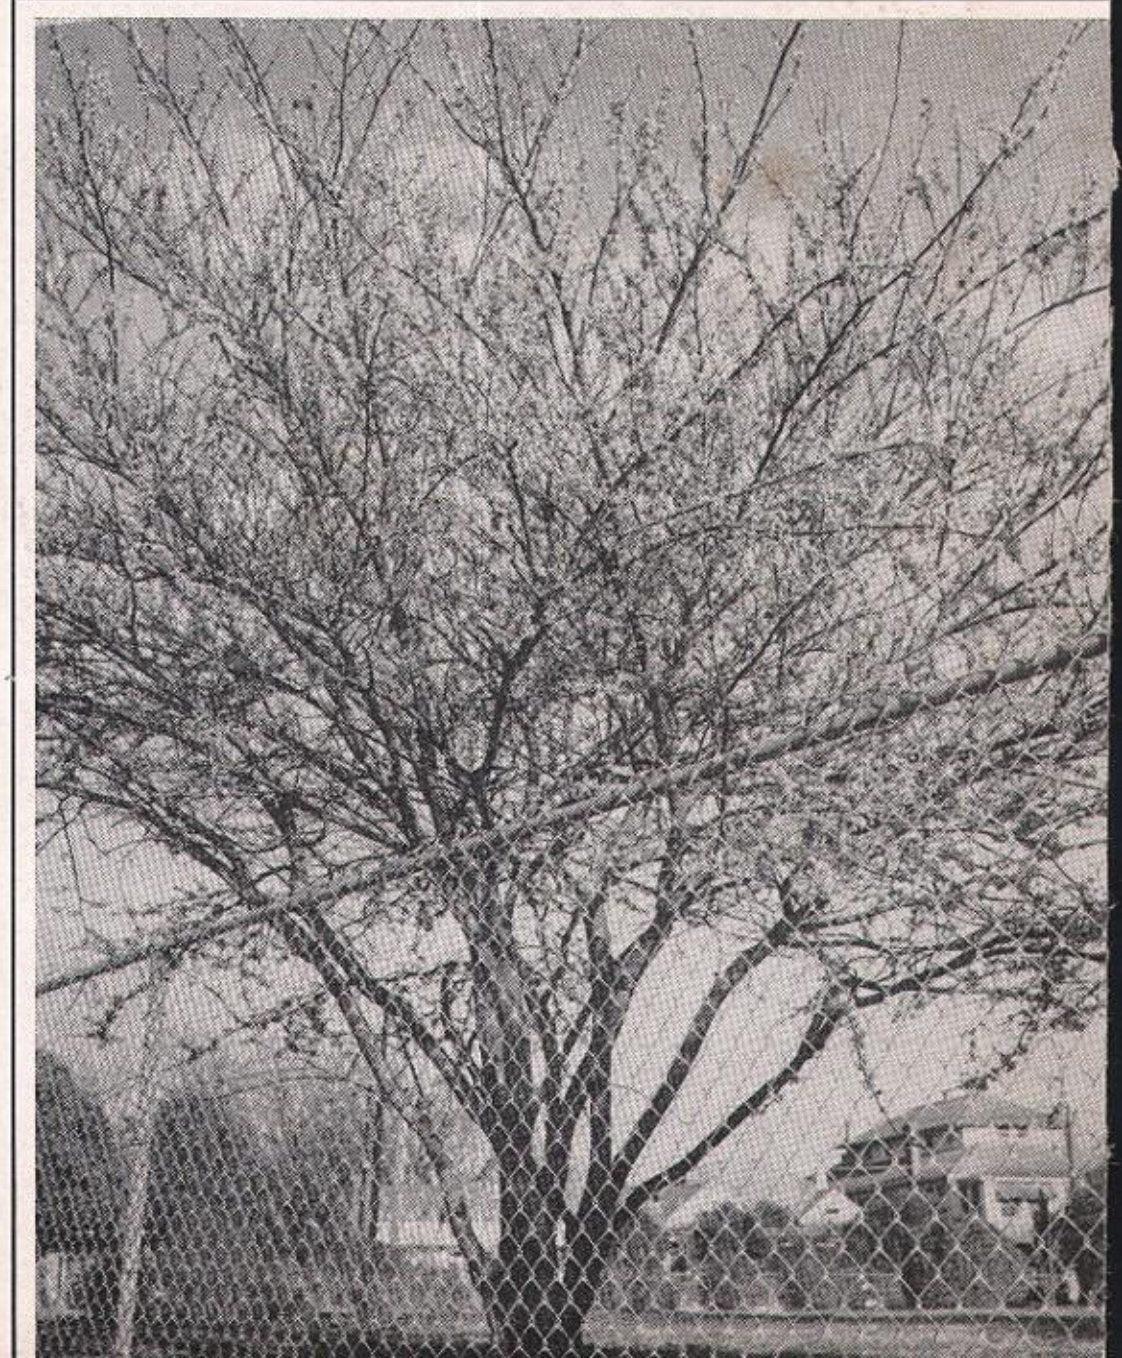
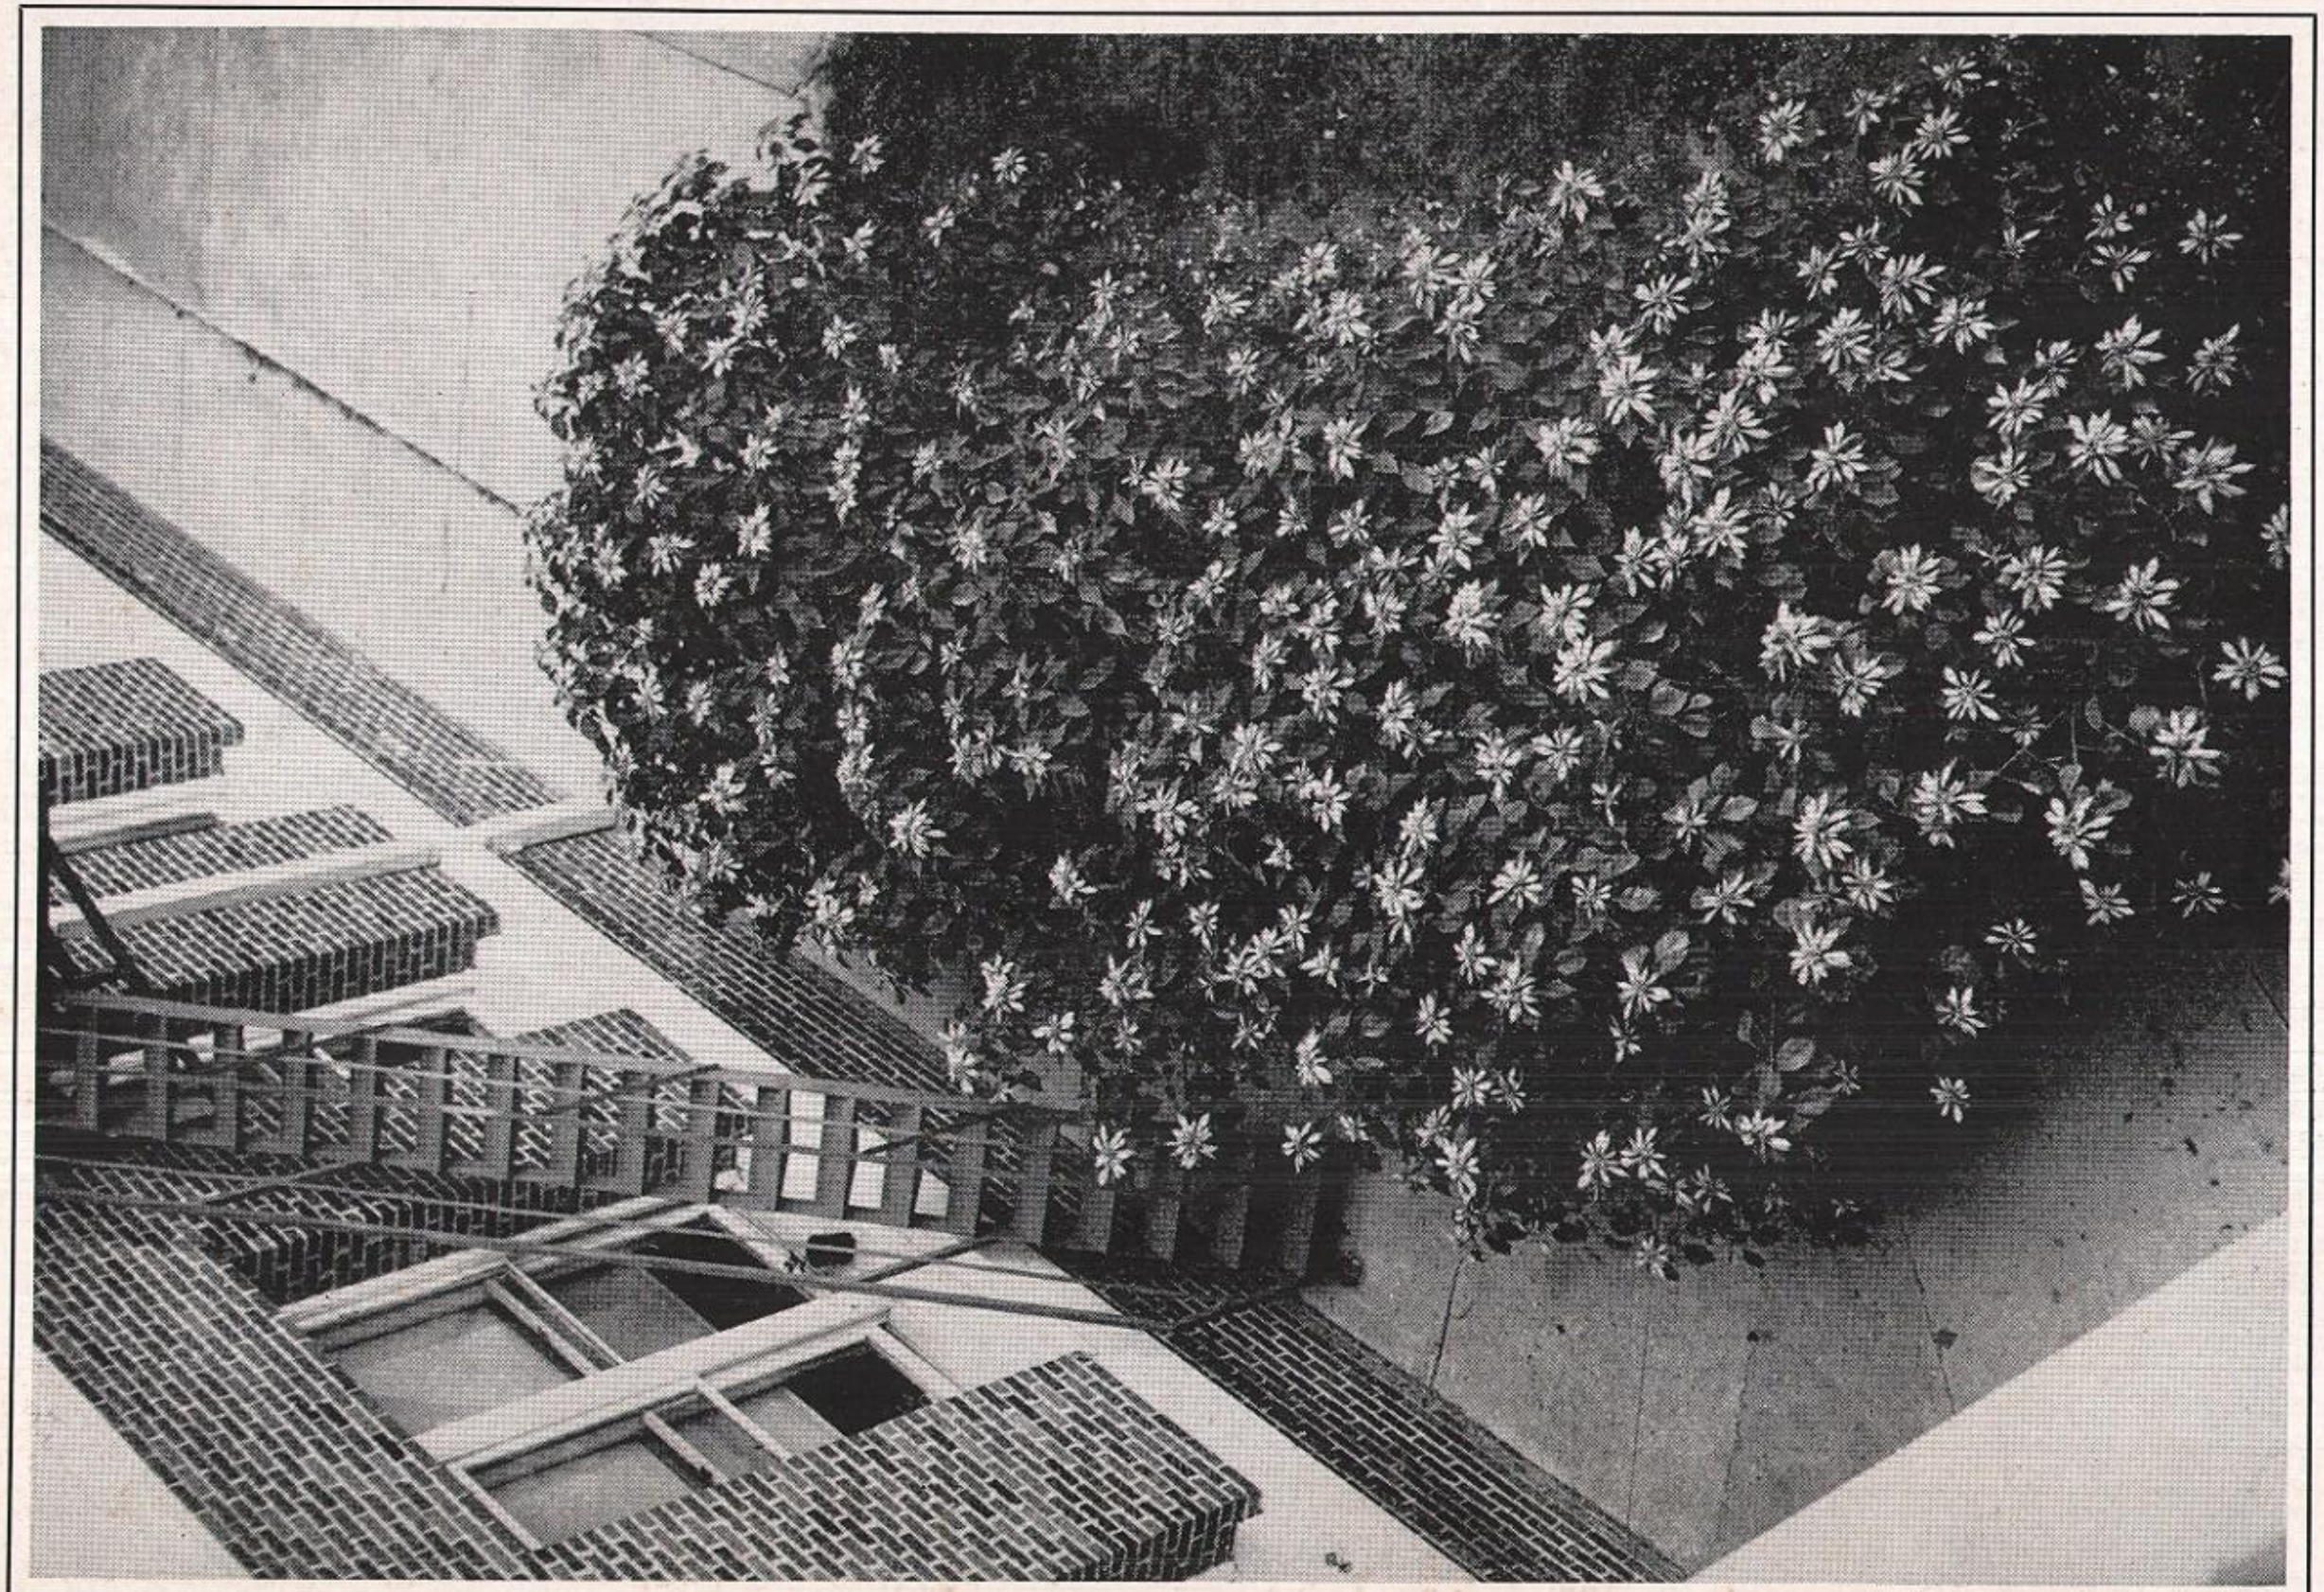
HOLIDAY TIME 1952



GEORGE W.
BRACKENRIDGE





Our Theme . . . .

With eager and happy hearts we all await the coming of a holiday. Young and old alike catch the sparks of excitement and anticipation which electrify the air when the holiday season approaches. A whirl of gay parties, a special celebration, or perhaps, a quiet observation mark the outstanding days when something especially great occurred. Each holiday has its own type of excitement whether it be the eerieness of Halloween, the happy expectation of the New Year, or the fresh newness of Easter. Perhaps it is the delicious odor of the Thanksgiving turkey cooking in the oven, the eager curiosity about the presents under a Christmas tree, or that special anticipation on St. Valentine's Day that make these very special occasions for us. Therefore, we wish you success, happiness, and many very *Happy Holidays.*

— Elaine Robbins

Editor-in-Chief

Dedication . . . .

To one whose helping hands and friendly smiles have always been ready to aid or encourage those around her, we pay grateful recognition. With never a thought of self or reward for her work, she goes about her duties quietly and efficiently. The teachers' friend, the organizations' helper, and the galley slaves' kind "boss lady" has made those who know her love her for the generous and willing assistance she always gives. Her responsibilities are heavy and her job thankless, but inevitably she is there at the right time to see the job carried through. Thus, with meager words of thanks and hearts full of gratitude, we, the staff of the 1952 La Retama, dedicate this Thirtieth Edition to Mrs. Ethel Barnes, our cafeteria "mother."

School Custodians

(1) A part of our cafeteria staff poses for the birdie. (2) Could there be a skeleton in this closet, Mr. Rosales? (3) Why Mr. Muenchow, I'm sure he didn't mean to do it. (4) My, what a pretty smile Lucy is displaying. (5) Ah, ha, Mrs. Barnes, so glad you slipped into another picture. (6) Even our custodians get a laugh from one of Brack's bulletin boards.

Open House

Open house at B.H.S. provides an opportunity for parents to meet with students and teachers in their own daily surroundings — the classroom. (1) Shirley Tate and Nancy Toppins bring a guest to Mrs. Abbott's abode. (2) Open house is an enjoyable and informative occasion for both parents and teachers. (3) "Teach" Davis remains on the job even on this occasion. (4) The annual office was all dressed up for this night. (5) Miss Jones also enjoys meeting parents. (6) Open house proves to be a visiting day for teachers, too.

First Row: — Mr. J. D. Cobb, Mrs. J. O. Cobb, Mrs. B. F. Day, Mrs. T. B. McClenney, Mrs. C. Fred Martin, Mrs. T. E. Hester, Mr. Enos Gary. *Second Row*: — Mrs. L. B. Morend, Mrs. D. H. G. McCarthy, Miss Marguerite Higgins, Miss Willie Ray McDonald, Mrs. Oscar L. Forgy, Mrs. E. W. December, Mrs. J. A. Powell.

The P.T.A. of B.H.S. got to work right after the opening of school in September. Two paper drives, a coat hanger collection and sale, and cake and candy sales every second Tuesday were added to the sponsorship of Open House on their list of activities.

These willing mothers provided and served food at each class picnic, sponsored the Aloha Prom, and awarded two scholarships to outstanding Seniors.

Thus, these hard-working women completed another year devoted to the welfare of students and teachers.

Seniors

Brackenridge will always remember the seniors of the Class of 1952. These Brackites have continually striven to maintain their school's high ideals of fair play, loyalty, and high scholarship.

Two factors in making this senior class so outstanding are Misses Cecile Lawrence and Lucille Wharton. These two sponsors have guided the Class of 1952 into lanes of success and happiness.

Seniors of 1952 will have cherished memories of the pleasant times spent at B. H. S. to keep with them always. The "Frosty Fantasy" was on a lovely night in December in Brack's own beautifully decorated gym. Presenting the senior play, "June Wedding," was a delight looked forward to with much anxiety. On April 2, came the senior picnic held in MacArthur Park. The sponsorship of a float, *Fantasy in Music*, in the Battle of Flowers parade representing the senior schools of San Antonio also came in April.

The memory which is held dearest to the hearts of these seniors is the Baccalaureate Service, an inspiring church service held in the Municipal Auditorium previous to the graduation exercises. It was then that these young men and women came to realize that their ambitions would soon be no longer visions, but realities.

What the seniors' plans are we know not; but we do know they shall go forward to meet the problems and needs of the world with the fine understanding of a good citizen.

OPPOSITE: Senior Class officers working on decorations for the Christmas dance are, left to right: Bonnie Groves, Sgt.-at-Arms; Mary Jane McDonald, Secretary; Alan Snodgrass, Sgt.-at-Arms; Miss Lucille Wharton, Sponsor; John Martin, President; Miss Cecile Lawrence, Sponsor; Sharon Rice, Treasurer; Justin Tubb, Sgt.-at-Arms; Ellen Baylor, Sgt.-at-Arms; Shirley Awbrey, Censor; Claudia Lopp, Vice-President.

The familiar plea, "Will the meeting please come to order?" rang through the auditorium as the Junior Class of 1952 got down to business. With only two years left to collect high school memories, these seniors-to-be began to work on memorable plans for the year.

Heading the list of plans was the election of the following officers: Jimmy Rowland, President; Jo Ann Fitzgerald, Vice-President; Shirley Lovelace, Secretary; K. Q. Scott, Treasurer; Joann Garner, Reporter; and Pat Gerlach, Josephine Keith, Gary Heyland, and Charles Eichman, Sergeants-at-Arms.

One of the gala affairs of the year was the Sweetheart Prom. When the outstanding occasion arrived, the favors, decorations, and refreshments carried out in the Valentine theme helped to paint another happy memory for everyone present. Another unforgettable affair was the annual picnic, which was held at Koehler Park. Eating delicious food, playing games, and visiting the zoo provided the entertainment for the afternoon.

The class owes all possible gratitude to the sponsors, Misses Elsa Burg and Christine Lawrence, for making these activities successful by giving their inspiring guidance. If the class next year will live up to the accomplishments it has fulfilled this year, the Senior Class of 1953 will indeed be an outstanding one.

OPPOSITE: Junior Class Officers shown in their conference room are, left to right: Joann Garner, Reporter; Charles Eickman, Sergeant-at-Arms; Josephine Keith, Sergeant-at-Arms; K. Q. Scott, Treasurer; Jimmy Rowland, President; Pat Gerlach, Sergeant-at-Arms; Shirley Lovelace, Secretary; Gary Heyland, Sergeant-at-Arms.

Sophomore Class

In September the Sophomore Class returned to the halls of Brackenridge experienced in the ways of high school. These students, more confident after a year of high school, started activities under the guidance of their sponsors, Mrs. Paulita Tietze and Mr. Alvin Roesler. At the meeting for the election of officers the following were chosen: Willene Lockhart to preside at the meetings and Mary Jean Gerhardt to act as Vice-president. Claudette McAnneny was elected to write the minutes for the group, while Joe Madison keeps track of the financial status. Wayne Mitchell serves as reporter and Sgt.-at-Arms, while Elsie Lee Wilke plays the part of Historian. Elaine Carpenter, Jacqueline Cooksey, and Tom Rust were chosen to act as Sgts.-at-Arms, also.

On Valentine's Day the Sophomores enjoyed a party in the cafeteria for the purpose of getting acquainted with the new Sophomores that entered at mid-term.

Bringing the year to a close was the annual class picnic at Comanche Park. To the Sophomore Class of '52 we wish the best of luck.

OPPOSITE: Sophomore Class officers relaxing at the water fountain are, left to right: Elsielee Wilke, Hist.; Jacquelyn Cooksey, Sgt.-at-Arms; Mary Jean Gerhardt, Vice-Pres.; Willene Lockhart, Pres.; Joe Madison, Treas.; Claudette McAnneny, Sec'y; Tom Rust, Sgt.-at-Arms; Elaine Carpenter, Sgt.-at-Arms; Wayne Mitchell, Rep't, Sgt.-at-Arms.

Freshman Class

"Which way is the auditorium?" The occasion for this inquiry was the first Freshman meeting. This new group of bewildered "Fish" had come through their first few weeks of high school still a little breathless. Now on November 30, 1951, they were ready to join in the gay whirl of activities by organizing their own class. Their first job was to select sponsors. They chose Mrs. Mary Louise Koch and Mr. Arthur Geisler.

The election of the following officers occurred next on their agenda: Richard Steede, President; Arline Engelbert, Vice-President; Barbara Awbrey, Recording Secretary; Patricia Edgar, Corresponding Secretary; Dorothy Bellos, Treasurer; Merry Newman, Parliamentarian; Betty Lair, Historian; Joyce Edge and Janice Stephenson, Co-Reporters; Nat Alder, Matthew Orlando, Mary Elizabeth Smith, and Verna Cochran, Sgts.-at-Arms.

To close their first year at high school the Freshman class held a picnic at Koehler Park, which was said to have been "Loads of fun!" To these new citizens of Brackenridge we wish the best of luck!

OPPOSITE: Freshman Class officers relaxing at the water fountain near the auditorium are, left to right: Mary Elizabeth Smith, Sgt.-at-Arms; Matthew Orlando, Sgt.-at-Arms; Betty Lair, Hist.; Joyce Edge, Co-Rep't; Merry Newman, Parl.; Nat Alder, Sgt.-at-Arms; Janice Stevenson, Co-Rep't; Dorothy Bellos, Treas.; Barbara Awbrey, Rec. Sec'y; Verna Cochran, Sgt.-at-Arms; Richard Steed, Pres.; Pat Edgar, Sec'y; Arline Engelbert, Vice-Pres.

"Introducing the Brackenridge High School Band and Purple Jackets!" These words introduced half-time activities at the Professional football game at Alamo Stadium September 15, between the Chicago Cardinals and the Detroit Lions. Performing their famous Circus Drill at this game was a new and thrilling experience for both organizations, and it lit the flame of activities that was to burn brightly throughout the whole year.

As always the P.J.'s could be seen giving loyal support with their lung power at all home football games. A new twist was added this year with the P.J.'s trip to Corpus for the game with the W. B. Ray Texans. Early in the morning all Purple Jackets and Band members left San Antonio in busses right behind the football boys' bus and spent the whole day in the coastal city. Highlights of the day were a get-acquainted coke party given by Ray students for the Band and P.J.'s, and a P.J. banquet at the Driscoll Hotel.

A drill honoring Mrs. Lord and Mr. "D" came as a surprise to both of these sponsors. The finale of drilling season brought toy dolls

and little wooden soldiers marching onto the field. Thanks for the "Free and Peaceful Thoughts of a Child's Imagination" were expressed in this final drill.

One of the biggest accomplishments of the year was the acquirement and decoration of a private room for the Purple Jacket officers. Surely the long, hard struggle to obtain the room will be justified by its service in future years.

Banquets honoring the football and basketball teams were held at the close of each respective season. A new cheerleader system was installed this year by the P.J.'s, giving us three girl cheerleaders instead of just two. A Christmas party with the band, the annual Round-up in March, and another social in April sponsored by the Junior P.J.'s rounded

out the activities before the memorable Farewell Banquet in May. Among beautiful decorations and an under-the-sea atmosphere, the newly elected officers were crowned as goddesses of "Neptune's Kingdom". In the heart of each P.J. will remain the picture of flowing dresses and sad faces at that final banquet as they sang the closing words of "Brackenridge".

R.O.T.C.

International conditions requiring military training caused many Brackenridge boys to enter the R.O.T.C. training program. Through the instructors and visual education, the cadets received the latest information on military affairs.

In the fall the R.O.T.C. lost two of its outstanding leaders, Capt. W. C. Kennedy and M/Sgt. W. R. May. Both men were assets to Brackenridge, and it was with sad hearts that the school bid them farewell. These men were replaced by Capt. P. R. Suddath and Sgt. Brast.

The outstanding cadets in the R.O.T.C. form a separate group — the Purple Guard. These boys attended all home football games where they executed their difficult precision drills and unusual ability to interpret commands instantly. In parades this group formed an honor guard for the Purple Jackets. For their loyalty to purple and white, we, the students of Brackenridge, are proud of the Purple Guard and all divisions of the R.O.T.C.

La Retama

The 1951-52 staff of the La Retama began work way back in July when the Juniors were taught that indispensible art of selling ads. With the opening of the fall term the staff got busy with picture-taking. This process blew the top off an endless supply of tedious tasks. The annual assembly depicting the woeful loves of Bluebeard, alias Paul Peterson, was given to open the drive for sales of the book. The flapper-day costumes of the staff added to the hilarity. While the Senior staff was busy planning the book, the Junior staff was putting their recently acquired art into practice and lending a hand with production.

The day of March 15 dawned bleak and dreary for the staff. However, the realization that the bulk of their work was over turned the gray skies to blue, for this day marked the deadline for all copy on the book.

Junior Staff

No organization is complete without some social life; so it was with the annual staff. The Denton trip, always looked forward to, provided a very informative yet laughter-filled convention. Christmas time brought a gay party for the staff, followed in April by the annual banquet when the new editor was announced, and the Juniors entertained. This entertainment will long be remembered by the staff and sponsor. Also in April came the annual picnic at Landa Park, and to close the year a dance, carrying out the holiday theme, was given by this year's editor, Elaine Robbins. On this happy occasion the Juniors were given their Senior positions. Without these ever-willing and able Juniors the 1952 La Retama could not have been published. To them the Seniors wish the best of luck in '53!

Circle: Margaret Sanders, Elaine Robbins, Marsha Tessman. *Middle*: Hazel Schulze, Shirley Callaway, Daryl Engle, Sam McClendon. *Bottom*: John Browning, Betty Gayle Lowther, Clinton Maxwell.

From his home over the clock, Algernon Q. Fishbottom, Times mascot, saw a busy year for the Brackenridge Times. Early in the year members of the staff attended the Texas High School Press Association convention in Denton. Johnny Crossman, editor of the paper, copped honors for the staff by placing third in sports writing. Informal parties were on the agenda at Christmas, Valentine's Day, and Miss Southall's birthday to keep the staff in a happy mood. A picnic and final banquet rounded out 1951-52, a year full of work and play.

Brackenridge

Stepping off in high style the Purple and White Band began the season by participating in half-time activities at the professional football game. For the previous two years, the band had performed alone, but this year they joined the P.J.'s in the famous Circus Drill. University of Texas Band Day brought a trip to Austin for the annual contest. Mr. "D", our director, was honored by directing the five bands at the Cotton Bowl on January 1st. Parades are inevitable and Armistice Day brought our first of the year. As in previous years the Band and P.J.'s were guests of the Livestock Exposition and Rodeo in a special matinee to initiate the week of performances. Then came the big event of the year—the Band Show and Gremlin Ball! With television stars, Spud Goodall and Curly Williams, former

Concert Band

Brack student, Ed Wadill, and the St. Mary's University symphonic band thrilling the packed auditorium, the Brack Band topped the evening with a medley of South Pacific tunes and many well-known selections. The 27th and 28th of March found the Band competing at San Marcos in the annual University Interscholastic League Contest. With fiesta week came the gala Battle of Flowers Parade and the Fiesta Flambeau. The crowning event of the year was the invitation to participate in the coming movie, "The Big Brass Band", portraying the life of John Philip Sousa. Of this group Brackenridge High School is very proud, and may the groups which follow be as successful as the Band which carried the colors of purple and white in 1951-52!

Cutting Capers

Once again we proudly present that magic mass of musicians — the B.H.S. Band. (1) The 1951 champs display their ability through the streets of San Antonio. (2) A closer view of the handsome brass section (not the horns, girls) discloses the reason for such beautiful harmony. (3) Maestro Driebrodt directs the "magic mass" in a Christmas program for the Band and P.J. party. (4) "Now listen, you kids," exclaims the soft soothing voice of an irate director. (5) A continuous drum cadence accompanies band members up the last stretch to the stands.

Council Clowns

Once again the Student Council takes an active part in school functions. (1) The juke box proved to be one of the Student Council's most successful projects. Sheldon Kosharek utters a dejected word at the discovery of empty pockets. (2) Heading the Council's list of jobs each year is the collection of money. Pat Salazer and Fred Hilgers work diligently at the aforementioned project. (3) Also important is the upkeep of the Lost and Found. (4) "In my opinion," and off we go into another detailed discussion. Paul McInnis looks dejected at the prospect. (5) "Be sure to get the correct amount," urges Pat Salazer, the gal with the money box.

Student

Another successful year began for the Student Council with the sponsorship of "The Kick-off," our first dance. On the agenda for December was the Bexar County Student Council Convention at Alamo Heights with Fred Hilgers presiding. This all-day affair contained a well-balanced supply of business and pleasure with each delegate reporting a successful excursion.

Other projects for '51 were the cafeteria juke box, another spirit-boosting color day,

a convention jaunt to Shreveport, La., the annual Christmas card sale, Christmas basket distribution, and a cake sale.

The spring of '52 brought that big day — election. The new president was announced at the banquet honoring both new and old presidents. The arrival of student directories brought joy to the students and money to the Student Council. A picnic and the Texas State Convention rounded out the year's activities.

A-Cappella Choir

Department

The A Cappella Choir sang with a new tone when they were seen at a few of Brack's outstanding activities. The Purple Parade, Christmas assembly, and the *Bohemian Girl* Operetta were the highlights of the year. The choir has proven to B.H.S. how important they are by singing with the San Antonio Symphony Orchestra on March 8th and at various other activities during Fiesta week.

The Girls' Glee Club participated as gypsies in the *Bohemian Girl*, took part in assemblies, sang at the Easter Sunrise Service at the Municipal Auditorium, and during Fiesta week. The Glee Club also entered competition at the State Contest in San Marcos on May 8th. Through the combined efforts of the Girls' Glee Club and the A Cappella Choir, we at B.H.S. have had a new experience in music.

Allied Youth

On January 7, 1949, Brackenridge organized the Allied Youth Chapter 481. The purpose of this club is to teach young people the honest and truthful facts about the beverage alcohol. The club members enjoy activities such as picnics, parties, cake sales and banquets. This year the club presented to the student body of Brackenridge a magic show at the home of Mrs. Melton, one of the club sponsors, which also served as a Halloween Party for the members. Also during the Fall term Kenneth Alder, club president, and Mr. Geisler, the other sponsor, attended the Convention in Washington, D.C., and brought back information which the club members shall never forget.

Allied

On January 7, 1949, Brackenridge organized the Allied Youth Chapter 481. The purpose of Allied Youth is to teach young people the honest and truthful facts about the beverage alcohol. (1) This must be the food committee anxiously waiting to serve the club members. (2) Why all the happy faces? (3) The members of the Allied Youth have a group gathering before the skating fun begins. (4) "Hello! How are you?" (5) The Magician, Doc Mahundro, who entertained at the Allied Youth Halloween Social, shows a few members the way he performs his magic in front of the public. (6) It is a good idea to hold on tight so you won't fall.

Youth

This year the club's new sponsor, Mr. Art Geisler, and Kenneth Alder represented the Brackenridge Chapter at the national convention in Washington, D.C. They enjoyed dances, sight-seeing, banquets, and to top it all, education on Allied Youth. (1) Skating parties are quite popular with the clubs at Brackenridge. (2) Marion, don't stare, Barbara isn't interested in you. (3) "Bottles up, and a toast to the Host." (4) No, no, Mr. Geisler, you can't have that! (5) You'd better be careful the girls might beat you in this little pool game. (6) The club members appear to be enjoying the delicious food served at the annual Halloween Party.

The Brack Hi-Y started the school year by electing their minor officers. Plans were then made for the first Co-ed night. The members and their dates filled the club rooms at the "Y". The next project was the Pigskin Prom. All the club worked long and hard on the football decorations and this is the reason why it proved such a big success. (1) The mood is set by quiet music and soft lights, at one of the very popular co-ed nights. (2) Jerry, why don't you sit down and take a *load* off your feet? (3) Martha and Nuf, Barbara and John, were the winners at the Hi-Y sox dance this year. (4) Two of the mascots, and a few Hi-Y club members work diligently on decorations for the Pigskin Prom. (5) Everyone spent lots of their spare time on the decorations for the Pigskin Prom, which is held every year.

To start the new year off right the Hi-Y had one of their favorite kinds of dances, a sock dance. A prize was given for the loudest and most unusual pair of socks. The following weekend a fire fellowship was held at Madla's ranch. All the new members were officially made members. A swell time was had by all while having mud fights in the "cave". (1) "Nuf" expresses his opinion as Raymond, Joe, Jimmy and Leo lend an ear. (2) O.K. Joe, if you must, you can go home early and go to bed. We know you need your beauty sleep. (3) All the boys, at some time, must have a *personal* chat with Mr. Knox, sponsor. Boys, are you sure it's not gossip? (4) "Yes, my child, bigger eyes to see you with, and a large mouth to eat you with." (5) Here stand the Rods — oops! We mean Hi-Y members of B.H.S.

Wa-Kapa

The Wa Kapas have made tremendous advancement throughout the past few years, and under the capable sponsorship of Miss Mary Lundeen, the club is at its best. At left: A few of the Wa Kapa members are enjoying the cup cakes and cokes at the social for prospective members. Below: (1) My, my Marie, where did you get that reach. (2) Just look at these Wa Kapas, they're certainly dressed up for this occasion. (3) New initiates, called "Worms", are guests of honor at this social. (4) Club members enjoy cold drinks and "goodies" at one of the first-class socials.

Wa Kapa

As another year rolls by, the Wa Kapa's have the satisfaction of knowing that they have made this year one full of success and pleasant memories. At right: Jackie Windes, Betty Button, and Patsy McClendon, seem to be enjoying themselves, as they decorate the beautiful tree for Center Hall. Above: (1) The beauties of the Wa Kap's pose for a quick shot. (2) Meriel Mould, Marsha Tessmann, Pay La Roy, and Joyce Brown propose a toast to the new members. (Remember girls, nothing stronger than coke.) (3) Please, Willene, curb your appetite until the picture has been taken. (4) Several of the Wa Kapa members seem to have varied opinions of the proceedings.

Modern

In the spring of 1933 the Modern Diana's of B.H.S. was founded. It was formed at that time to promote interest in outdoor sports, but was later changed into a social club. The name "Diana" comes from the Greek mythological goddess of the moon, whose name was Diana. However, since Diana disliked all men the prefix Modern was added. The Modern Diana's began their year with a brand new sponsor. There were many sad hearts when Miss Vivian Agnew was unable to return; but it was with happy hearts that Mrs. Faye Squyres was chosen the new sponsor. (1) The girls appear very solemn as they are made full pledged nymphs by their president, Marlene Staats. (2) Here the Diana officers are being served refreshments at their annual tea for the installation of nymphs. (3) The girls all look happy and pleased now that they are full pledged nymphs. (4) The members look on as Mrs. Squyres, the Diana sponsor, and Marlene Staats, president, show their beautiful Christmas gifts, given to them by the club.

Dianas

The 1951-52 round of activities began with the election of new members and the traditional tea which was held at the home of Jo Ann Fitzgerald. Then came the annual Dianacacho dance which proved to be a success with its clever circus decorations and the "nymphs" dressed as clowns. When Christmas time rolled around the Dianas were seen having a wonderful party and also bringing gifts for orphan girls their own age. A Christmas basket was also given to a needy family. (1) A few of the Modern Diana members prepare to decorate for their Valentine Social. (2) That's all right, Mona, you can make the motion, even though you don't know parliamentary procedure. (3) This hungry group take time out to applaud while enjoying the delicious refreshments served at the Valentine Social. (4) Mary Alice Barnebey listens in on the interesting conversation between the ones at the first table, while waiting to be served.

The Girls' Sports Club was organized in 1946 for the purpose of promoting good sportsmanship and the love of sports among Brackenridge girls. The club is still living up to its original intent. They play all kinds of different sports, which they change every four weeks. This year the club is again under the able sponsorship of Miss Hall. This year the club has had another very eventful success. (1) I think these girls have lost something. Hope you find it! (2) Mickie Combs must be leading this poor new member to the grave. (3) My, my, how charming can you get. (4) Miss Hall, appears to be giving her approval of someone's comical bowling. (5) Be careful Irene, or you may be minus a tongue in a few minutes.

Club Antics

The Girls' Sports Club has one main event each year. This is the banquet held in May honoring the Seniors and girls in the club who have made the highest points in the various sports the club participates in. All Seniors who do not have their pins receive them at this time. All in all the Girls' Sports Club has had another successful year under the capable guidance of their sponsor, Miss (or Mrs.?) Janet Hall. (1) Miss Hall is giving last minute instructions to a few of the members. (2) After the nice formal initiation, everyone must be enjoying the wonderful food. (3) Gosh girls, you are a beautiful sight! (4) It's not a laughing matter. (5) Rosemary White is giving some unidentified person a nice warm foot bath.

Star and Crescent

The Star and Crescent Society was organized in the latter part of 1945 by a group of girls under the leadership of Mrs. Edith Waitz. The Star beneath the half moon stands for friendship, the original purpose and aim of this club, as is shown in the motto: "Friendship is the beginning of happiness." (1) Mary Jean Power, Prexy Lois Nell Janicke, Martha Riojas, and Rey Lillian Goodlet are having a graceful time at the skating social. (2) The Brack students are buying tasty cake at the Star and Crescent cake sale. (3) Well, well, I wonder who just walked in the door. (4) "Meet your partner, and promanade home." Center: Lois Nell seems to be carrying on a very amusing meeting while Recording Secretary, Martha Jo Riojas, prepares the minutes.

German Club

The German Club was organized in 1926 for the purpose of studying great authors, scientists, and poets and the customs of the German people. It is under the able sponsorship of Miss Leilet Richter. The club has had a year full of pleasant memories. (1) It's Christmas and time for Christmas carols. The carols sound pretty when they're harmonized, as in this scene. (2) This club is very responsive when a motion is in order. (3) "If there is no further discussion, I move that-----." (4) Betty, shame on you, you shouldn't be so hoggish!

Y-Teens

The Y-Teen Club, which is the Junior membership of the YWCA, is a world-wide organization of girls who strive to spread good will, friendship, and love throughout the world, making it a better place in which to live. (1) No, Donnie, don't grab, the girls are trying to make money not be a charity club. (2) Prexy Evelyn Smith waits while her recording secretary catches up on her speedy meeting. (3) The girls appear to be enjoying whatever is going on very immensely. (4) Whoops, Miss Moore, sorry, didn't mean to catch you by surprise.

The Y-Teen Club, which is the Junior Membership of the YWCA, is a world-wide organization of girls who strive to spread good will, friendship, and love throughout the world. Some of the activities of the year were the formal initiation of new members, sending chocolates overseas to less fortunate Y-Teens, a cake sale to raise money to contribute to World-Fellowship, a Christmas party held at the YWCA, and the senior farewell banquet at the end of the Spring term, which ended another wonderful year for the Y-Teens.

One of Brackenridge's newest clubs, the Shutterbugs, was organized in March, 1948, by its Sponsor Mr. Alvin Roesler. From the time of organization until 1950 the members were all males, but during this year the girls started taking interest in the club and now represent fifty per cent of the Shutterbugs. The main purpose is to promote better photography by teaching the fundamentals of better picture taking. Also to teach the process of developing, printing and enlarging pictures to the students of Brackenridge.

Los Hidalgos

The Los Hidalgos Club was organized and founded for the benefit of students of Brackenridge High School especially interested in Spanish. Its purpose was to teach respect and appreciation for the heritage of culture bequeathed to them by Spain. (1) What is it, a singing telegram? (2) Girls, girls, don't work so hard. (3) Everyone seems to be very pleased with the Christmas dance. (4) I hope the organization made a good profit on their cake sale. (5) Is it from Marie Ellana to Rosalinda, or vice-versa? Cinderellas

This year the Cinderellas have had another very successful year as a club who furthers good sportsmanship among girls and offers social affairs to girls, which are the two reasons that the club was organized in 1941. This year, as usual, the club sponsored the Christmas card and Valentine post offices and did a very good job. Here we see the Cinderellas busy at work and play. At right: The girls straighten the cards as Bobby Turner watches. Below: (1) Yolando Ozuna seems to be presiding over what must be a very funny discussion. (2) Several of the basketball players are disturbing the Cinderellas, as they do their annual selling of Christmas cards. No, no Roger, don't take the cards unless you pay for them. (3) It looks as though Yolanda is saying, "Please girls, don't make me get on my knees." (4) Lupe Ferrios finds someone at the back of the room very interesting. Tell us so we can laugh too, Lupe.

Cinderellas

The Cinderella Club was organized at Brackenridge in 1946. This club promotes friendship, clean sportsmanship, social gatherings, and good fellowship among all girls. Its official colors are pink and green, and its emblem is the golden slipper. This club was named Cinderella after the famous fairy tale. Starting off the year with a bang was an initiation party held at Lupe Fierros's home. Following that was a cake sale which was proclaimed a big success. Other highlights were the Christmas and Valentine post-offices, a spring dance, and the traditional senior banquet which ended the busy schedule for the Cinderellas.

Presidents' Council

Again this year the presidents and leaders of the various clubs and organizations formed the Presidents' Council. Under the leadership of Jimmy Rowland and the sponsorship of Mrs. Grace Keeling, the council helped the Student Council collect Christmas baskets. The most important activity of the year was the redecorating of the Counselor's office. The hope of the council is that the project will be continued until all the offices are redecorated. By attaining many of its goals, the council has advanced in the eyes of everyone.

Coach George Forehand

The Eagles began the season right by walloping the Harlandale Indians 18-0 in the mud. Next the Eagles boarded a bus for the coastal city of Houston where they met the boys of S. F. Austin. This trip was disheartening as our boys lost in the final minutes 6-0 after out-playing the Houston boys all the way. The following week the Eagles played host to the South Park Greenies of Beaumont. Again the revenge-seeking Eagles were disappointed for they came out 19-6 in the red.

Then came the first week of the district race. The Eagles drew the Tech Buffs for their first foe. The Birds could not be stopped that night. Rambling full-back Dan Greer scored twice and Rowland and Limon each scored a tally. The game was a very one-sided affair with the Eagles coming out on top of a 26-0 score.

In the second district start of the season the Eagles entertained the Harlingen Cardinals. The first half was all Brack, but the second was all Cardinals. *If* the game could have ended with the second quarter, a well-played game would have been ours. Limon scored twice for the Eagles, but missed both conversions. Harlingen scored twice and kicked both conversions to win the game.

Our next game was a do-or-die affair. We had to beat the Miller High Bucs of Corpus to stay in the district race. The lineman took over the scoring chores for the night. Couch started it off by intercepting a flat pass for a touchdown just as the half came. In the third quarter Couch blocked a kick, and Matthews picked it up and ran it to the one foot line, where Art Weiss plunged over. Kiolbassa

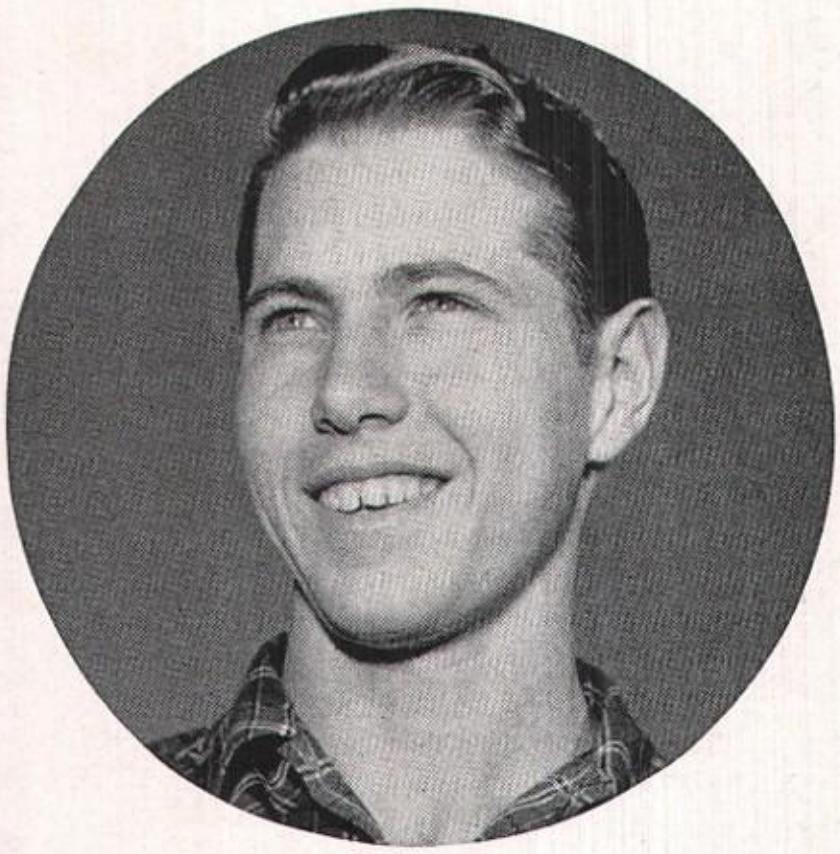
Manager Paul Peterson

intercepted a pass and ran it back for 36 yards and a tally. For the final two scores Rowland and Greer did the yeoman work.

The next week Señor Eagles paid a visit to the border city of Laredo. The first half was just one big fumble where we were concerned. The second half was a little better, as Lewis caught a free ball and ran all the way to pay dirt. Late in the fourth quarter Limon scored the second tally ending the game 13-0 favoring the Eagles.

Then came the big week, for the Eagles met the fighting Texans of Ray High of Corpus, unbeaten and untied. Lloyd Quarles started the fireworks by recovering a Ray fumble in the end zone. Ray came back and scored twice before the half. The game was a line battle until the fourth quarter when Ray again scored twice. The game ended 26-6, Ray High on top.

Manager Glenn Fisher



Coach Berry Elhert

The mighty Austin Maroons were next on the Eagle list. Again we had a bad night. Austin's first play from scrimmage went for a score. After that it was a riot with the Eagles side of the ledger blank until the fourth quarter when Limon scored. The game ended 32-6.

The *Big* game was finally here! The Eagles entered the game the underdog. Before it was over everyone who saw the game knew that the Eagles had the best team. Waldrop broke into the scoring column by going four yards over tackle for the lone Brack tally. In the last forty-nine seconds of the game Jeff finally scored, knotting the count at 7-7. The Nags had 15 yards rushing while the Eagles piled up 119. The game ended with all good cheer on both sides. This contest brought to a close the 1951 football season of the Brackenridge High School Eagles.

The Eagles of '52 brought Brackenridge one of the best baskeball teams it has had in many years. The season began slowly with the Eagles taking second place in each of their first three games. The Eagles' true ability came to light, however, when they defeated the powerful Buttons of Central Catholic.

The district opener against Austin saw the Eagles swing into form by defeating the later district winners by ten points. To close the first half of district play the Eagles perched on top of the standing by defeating their cross-town rivals, the Mustangs, 61-39.

The second half of play brought the Birds three defeats. Of these one was at the hands of the up and coming Ray Texans, who threw a wrench into everyone's plans. The Eagles made a valiant attempt to regain the league-lead by defeating the Tech Buffs, who in the first half gave the Birds their lone defeat. In the last game of the season Jeff turned the tables by upsetting the favored Eagles. Thus ended the long-to-be-remembered basketball season of the 1952 Eagles.

"Right hip in, Tully!" "Stop letting your head go down — head of the racket, stupid." Such lingo rang across the tennis courts as Coach Herndon began with the girls' tennis class. The only time these girls are not playing is when they are searching for balls lost in the Easter egg weeds surrounding the courts.

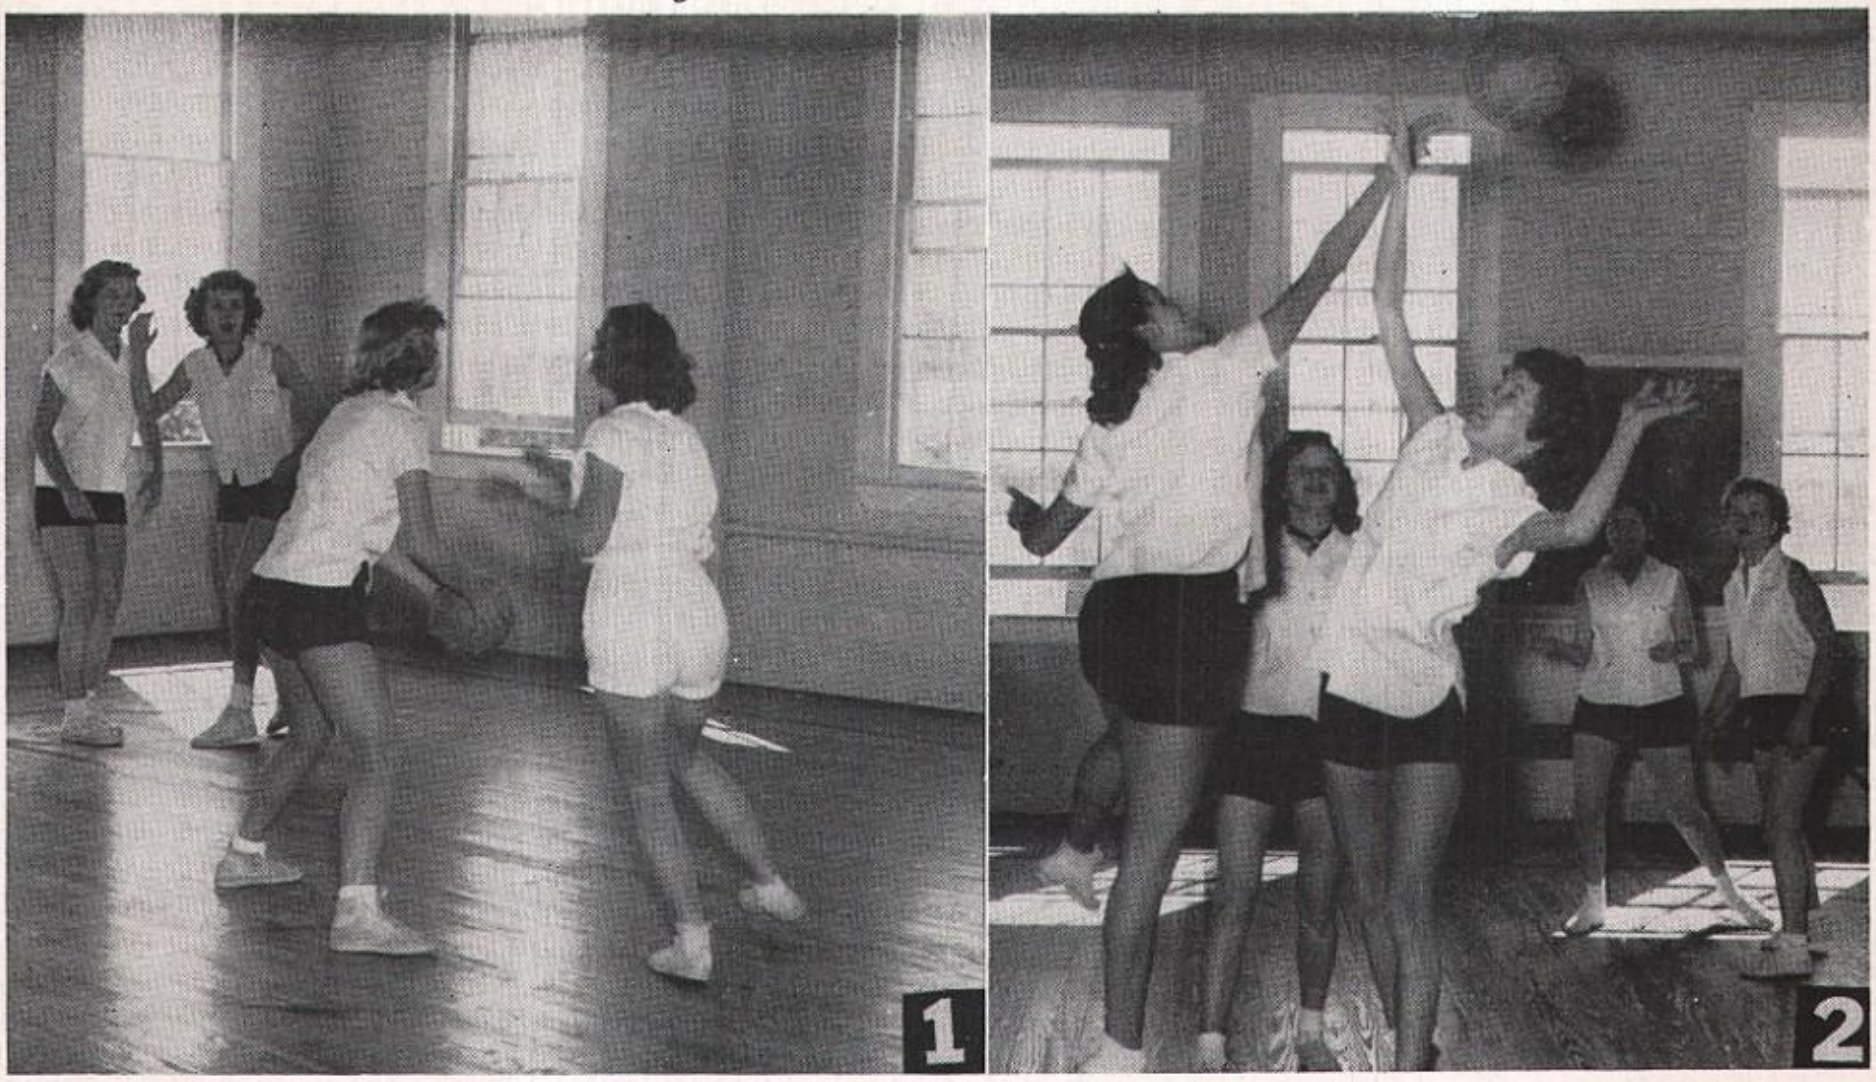
This season saw Lorraine Tully, Claudia Britton, Darlene Dasbach, Mary Lou Zepeda, and Martina Ochoa return in the veteran capacity with Marilyn Montgomery most promising newcomer.

As in former years the Eagles entered the Heart's Delight Invitational Tournament at Falfurrias on February 15, 16, and 17. Martina and Mary copped second place honors at this net meet. These same two defended their first place title at the Alamo Heights Invitational Meet in April.

Attention ballet students: Coach Herndon sends a plea for you to come out for tennis. Her reason — "Maybe they will know some footwork!"

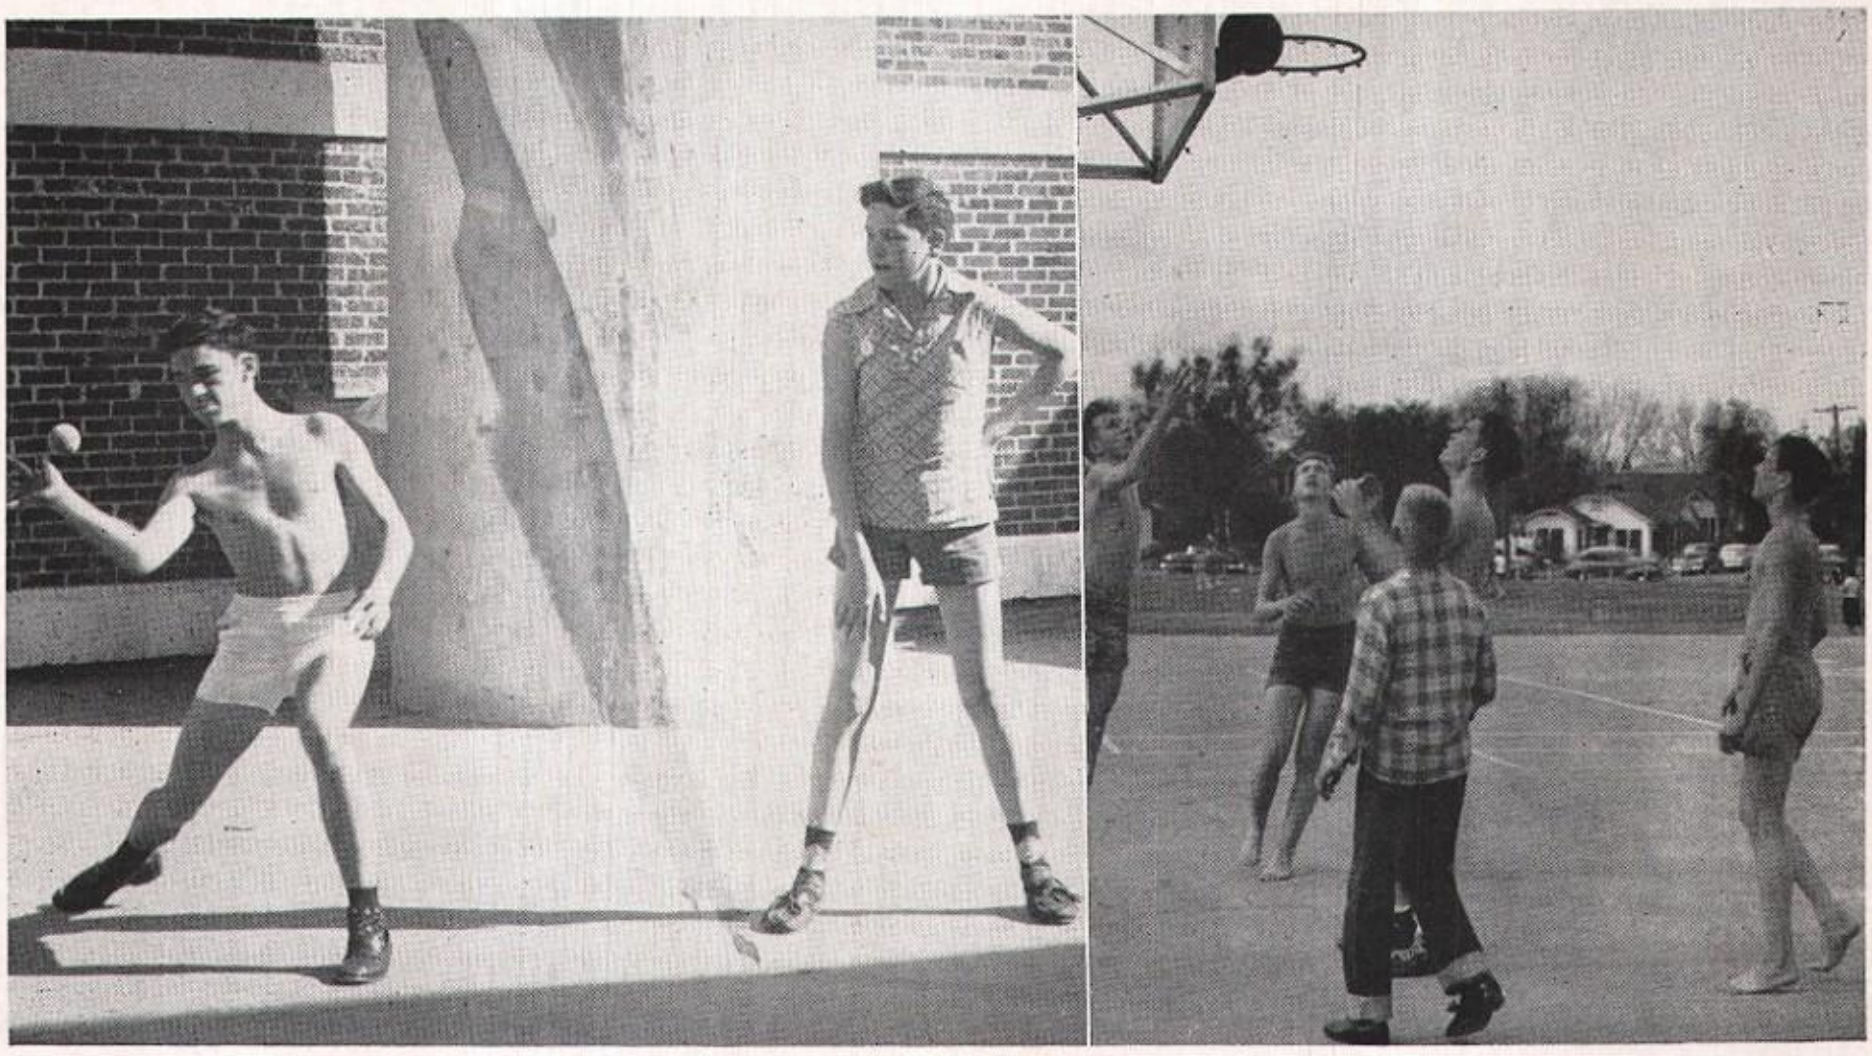
Left to Right: — Martina Ochoa, Mary lou Zepeda with Mrs. Herndon.

Physical Education



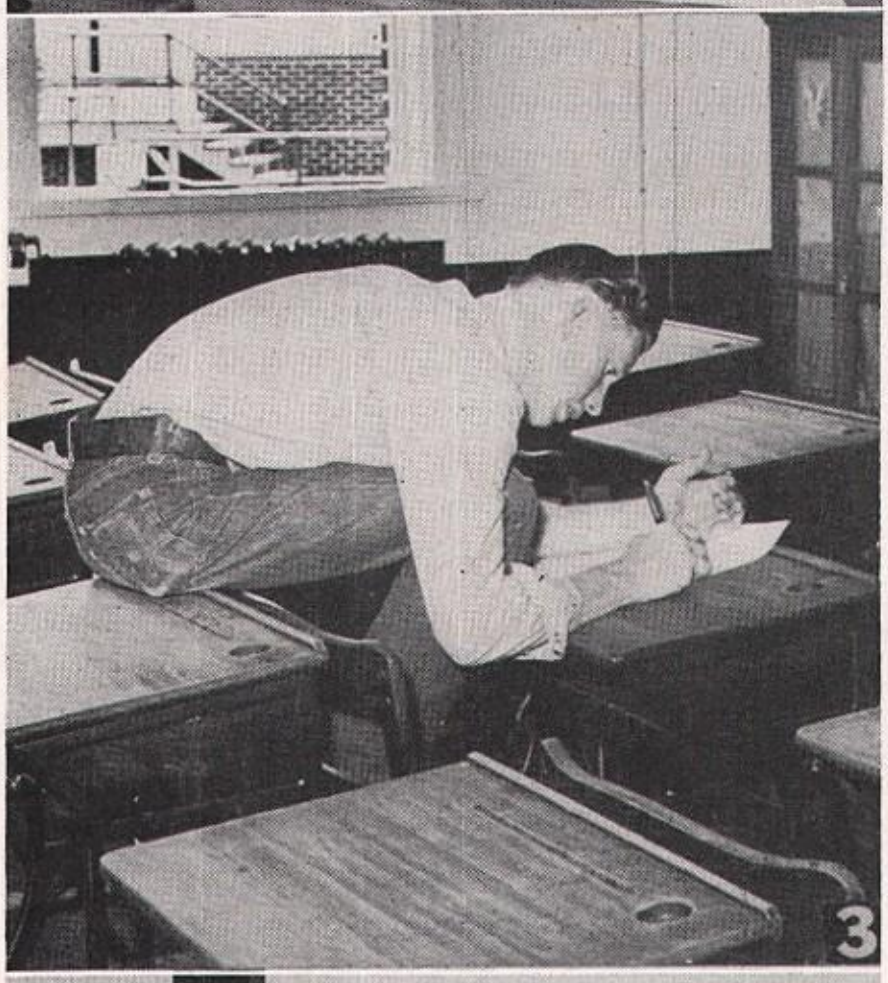
(1) Captain Ball is one of the most popular sports in the girls' Physical Education classes. (2) Up goes the ball and the wild action starts again.

(1) Daryl Engel learns the proper procedure for hand ball from Jack Grounds. (2) An energetic group of athletes take part in a big basketball game.



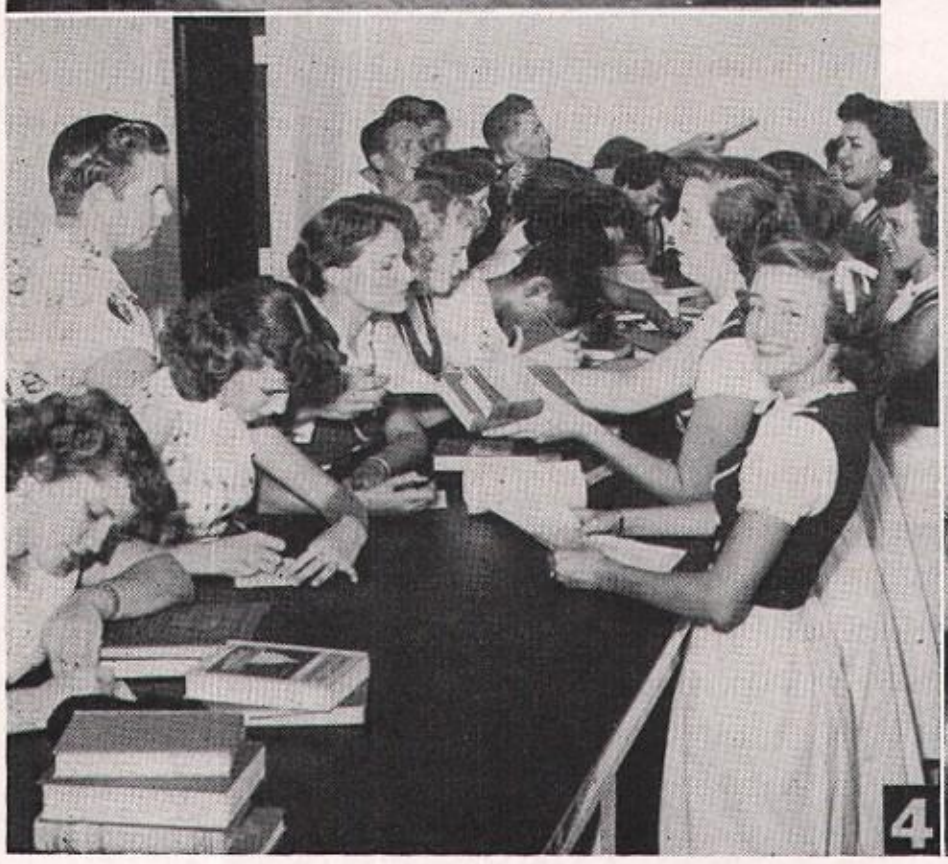
School Life

OPPOSITE: Christmas spirit displayed by a group of seniors.



Registration Day

Registration day looms its head as each new term begins. (1) The return of Miss Stratton is welcomed by all. (2) A happy group of "civilians" watch a P.J. help fill choral classes. (3) Harper Haney studies schedule from his comfortable position. (4) "Never thought I'd make it", is the view expressed as students wearily reach the book-room. (5) Only Miss Higgins can create an atmosphere of levity on this day.



Sights and Sounds

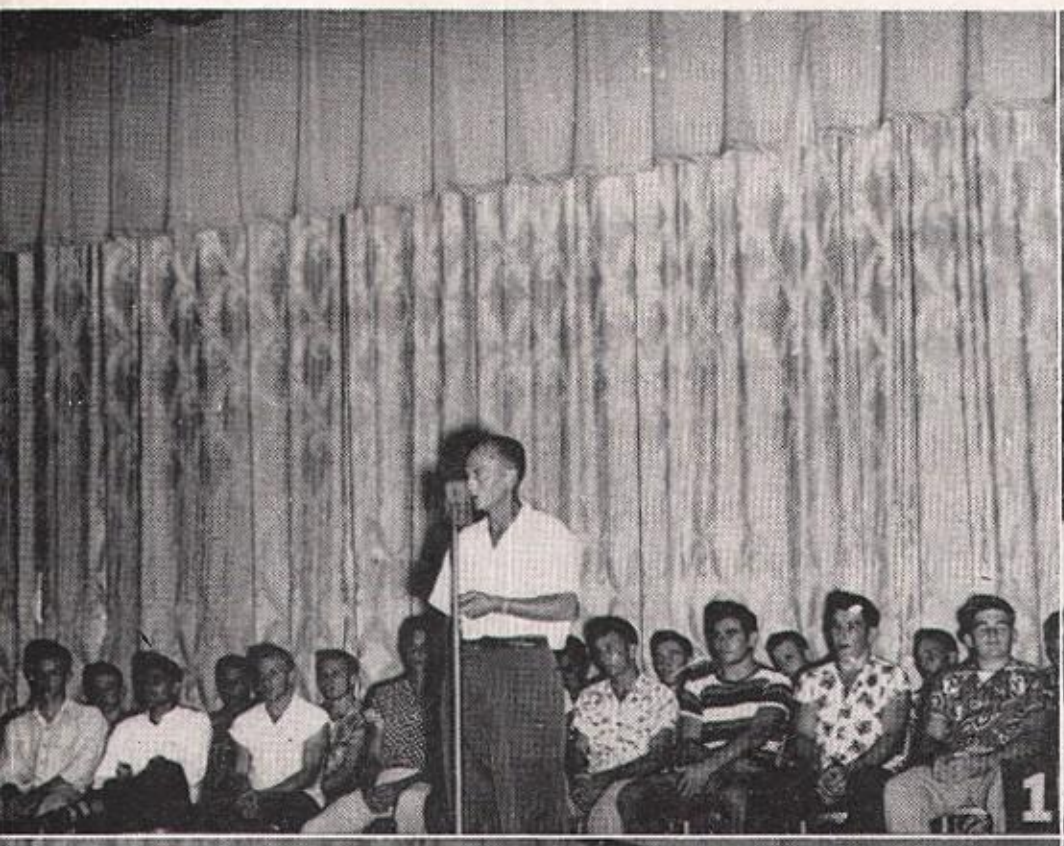
Brackites hear and see many new things during their high school career.

(1) "Here comes the bride" — oops, wrong song. (2) Mr. Gary favors us with a violin selection. (3) Marlene Staats — the picture of vitality. (4) Variety is the spice of life. Marlene, don't cry, there's always Jerry. (5) My isn't love grand?

Mr. Gary

Pep Rallies

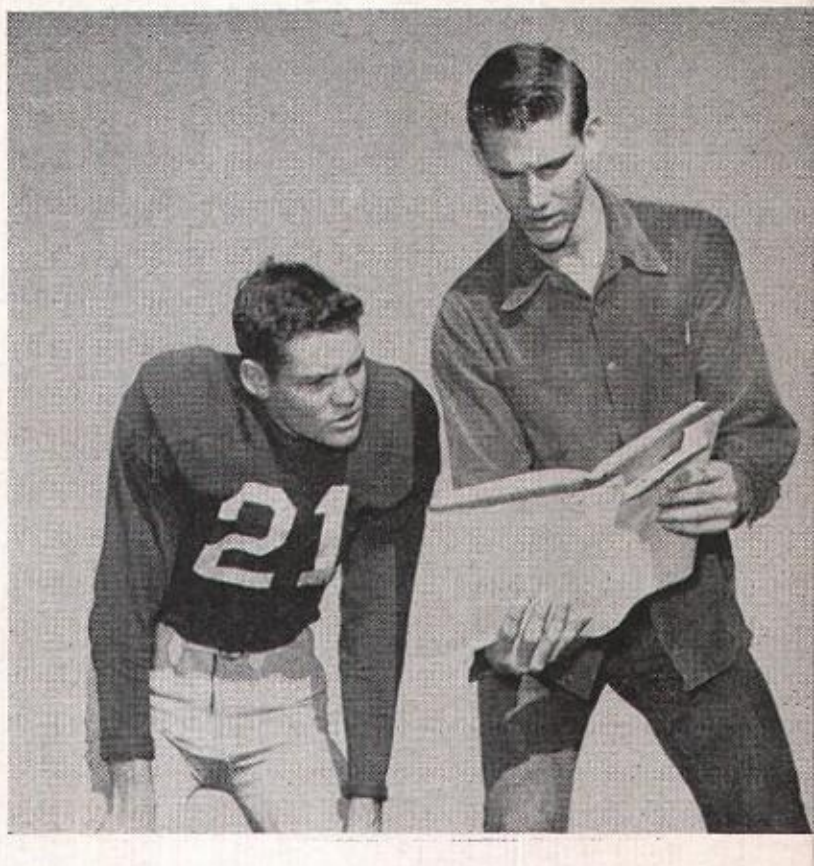
The 8:15 bell rings, all stragglers rush to the auditorium — yes, it's another pep rally. *Left*: Mr. Gary starts the day with a humorous touch. (1) Coach "Red" Forehand releases predictions, pro and con, on the outcome of a big game. (2) P.J. Prexy, Barbara Satterfield, encourages student body attendance and spirit for a conference tilt. (3) The timely passing away of a Miller Buccaneer causes grave looks on the faces of Eagle onlookers. (4) Cheerleaders lead the student body in a peppy yell.



Here and There

Student activities, here and there, remain as fond memories in the heart of every Brackite. *Right*: Paul Peterson explains a position to Joe Waldrop. (1) Band and P.J. Officers present gifts to Mr. Dreibrodt and Mrs. Lord following the drill dedicated to these two. (2) Always a lively scene — the cafeteria. Lunch time is also play time for Brack students. (3) The night pep rally, in the gym, before the turkey day game, draws a noisy group of victory-hungry Eagles. (4) P.J.'s give the football team a rousing send-off as they leave for a game in Houston.

JOE WALDROP, PAUL PETERSON



Purple Parade

The Purple Parade, an annual event presented by Miss Dickey and her dramatics classes, brings with it a holiday atmosphere to the halls of B.H.S. *Circle*: Jerry Klinger and Marlene Staats provide a romantic touch in the comedy "Told By the Gate." (1) Rosemary White lends a classical air to the program with her selection from "Carmen." (2) A welcome spot on the agenda is the Brack Hillbilly Band. (3) The grand finale comes with the arrival of a calendar of pretty girls. (4) A group of dramatics students advertise the show with their clownish antics.

Bluebeard

Bluebeard, ah, sweet reminiscences of childhood. The annual staff presents a flapper-day version of this old fable. *Circle*: The art of osculation (commonly called kissing) is practiced by Bluebeard, alias Paul Peterson, and his true love, Fatima, alias Elaine Robbins. (1) The aforementioned art seems to be on everyone's lips. (2) John Browning, P.J. Lt., instructs P.J.'s in the intricacies of marching. (3) A complicated situation arises with the entrance of Dan Greer. Faces tell the story much better than words. (4) Junior staffers patiently await their chance to "charm the audience."

Brack Classes

Right: Foreign students in B.H.S. represent Mexico, China, Greece, Latvia, Portugal, and England.

Left: This chemistry class is made up of many scientific-minded boys, whose interest is visible.

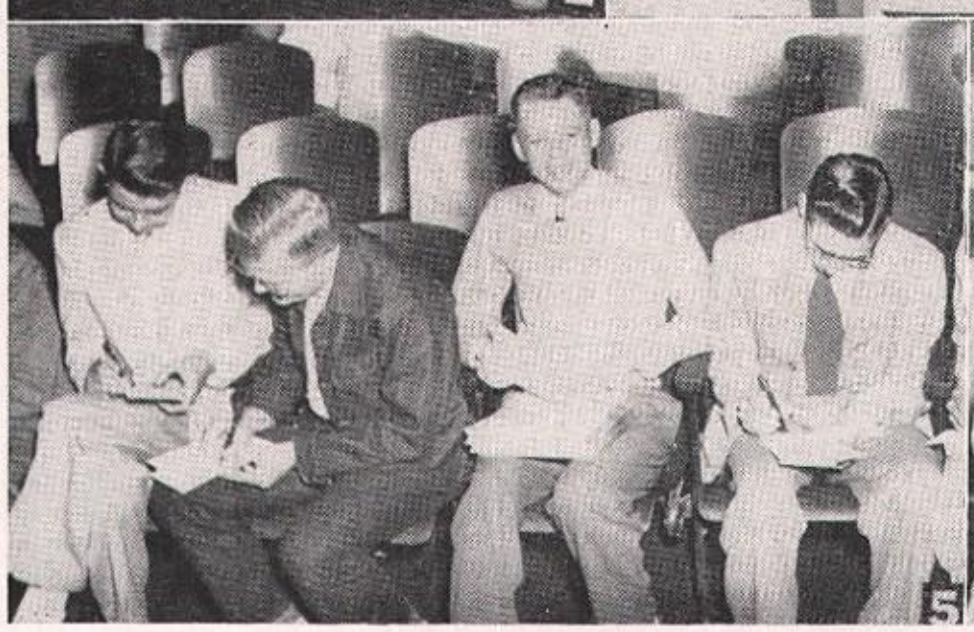
Right: The Home Economics class has donned its best apparel and is displaying its best manners.

Color Day

Left: Color Day judges, Fred Hilgers and Paul Peterson, release their verdict to Miss Burg.

Right: Students work diligently to get their advisory decorated for the big contest.

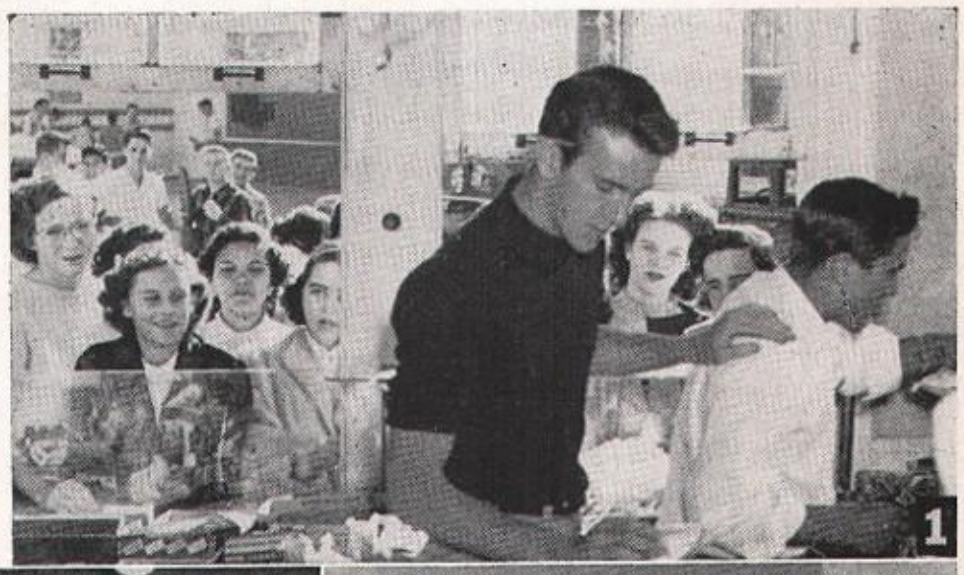
Left: Judges complete the rounds and go into a huddle to determine the winner of the Color Day contest.

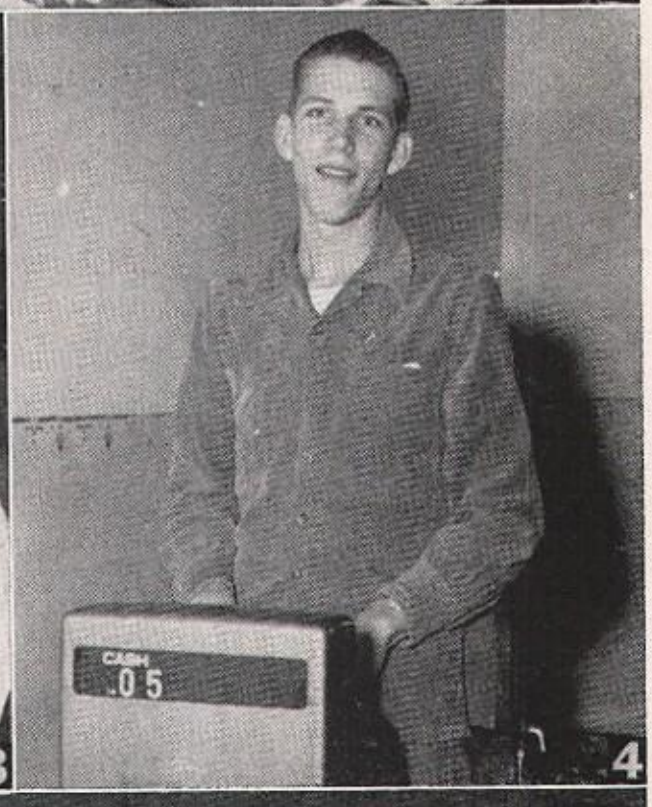


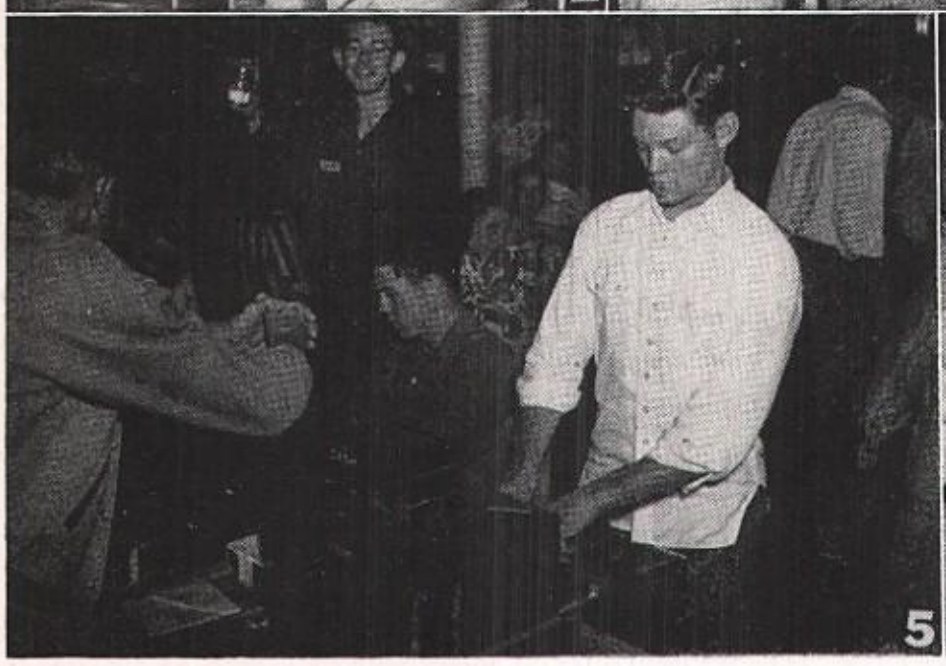
Picture-taking

Each year one week is set aside for the task of taking the pictures of most B.H.S. students. (1) The exasperations of picture-taking week show on the faces of staff members and sponsor. (2) Guess what she is waiting for. (3) Bunky's blowing off again. (4) This is one way to get your picture in the annual. (5) These boys are willing to brave the photographer to have their picture made. (6) Even teachers must face the camera once in a while.

Galley Slaves







Galley Slaves A well-known organization at Brack is the Royal and Loyal Order of Galley Slaves. (1) Look girls, isn't he cute? (2) "Pop" Greer obliges the unseen by accepting money. (3) It takes a real he-man to be a galley slave. (4) Gad, what an egotistical glare. (5) Hollywood stars get to sit down while Glee Club Prexys have to stand up. (6) Galley slaves never loiter. "All work and no play" is their motto. Gee, I *do* feel sick.

Denton Trip

In the cool of the early morning (30°) an energetic group of La Retama and Times staffers left for the T.H.S.P.A. convention in Denton. (1) One wouldn't think that at 4 a.m. such heated conversation could arise from this hearty (?) group. (2) Now we know how the Times Staff gets all its news. (3) Well, I don't care either, Elaine. (4) There are 57 different ways to catch this kind of man. (5) "Put your shoes on Lucy, don't you know you're in the city?" (6) Be sure to read the fine print before signing that paper. (7) Beauty on parade.

Happy Holidays School activities put Brackites in a holiday mood. (1) These handsome specimens of our male population help Jimmy Rowland advertise the Purple Parade. (2) Cricket, anyone? (3) A Mustang delegation presents the Eagle flock with the traditional gift during half-time ceremonies at the Turkey Day game. (4) Two big football (?) stars offer "sweets to the sweet". (5) The ladder is for little girls who can't reach the top of the tree. (6) A gay group celebrates the Thanksgiving holiday at the Pigskin Prom. (7) Editor's note: This is unposed.

A scene from the tableau encircled by our Christmas ornament.

A season of frivolity yet filled with meaning comes to B.H.S. with Christmas Time. The sound of laughter mingled with that of cheerful singing drifts through the halls. (1) A gay group gathers for one of the many parties of this season. Jackie Miertschin seems to be having trouble with her lumbago. (2) No, Mona, that isn't a first aid bandage. Don't tell me—Barbara Satterfield is in love again. (3) Whis-s-sh and another P.J. falls in the wake of Barbara Stumpf's atomic ray gun. (4) Usual antics of the Times Staff further befuddle Miss Southall.

Christmas

(1) In this modern age Christmas merely represents a time for exchanging gifts, indulging in cates, and cheerful gatherings. At our alma mater, however, the true spirit of Christmas is inspired by a beautiful series of tableaus. (2) One of the most beautiful of the tableaus is pictured here. (3) Just look at those upperclassmen toil! They have committed themselves to this drudgery so that the "Frosty Fantasy" may be a success. (4) The Foods Department refreshes our instructors.

Active Eagles

Sports, clubs, classes make all active Eagles. (1) Editor's note: All hair styles are Paris originals. (2) "Look, my proofs are good!" Oops, the annual staff missed that one. (3) A well-informed Purple Jacket directs traffic at a busy intersection. (4) The best time to catch up on world events — a paper drive sponsored by the P.T.A. (5) Maestro Martin and his Thrifty Three prepare to entertain at the night pep rally.

On the Town

Through the halls and classes roams a La Retama photographer taking pictures without asking. (1) Poor Marian, she feels so sorry for these boys! However, a good basketball season may help Coach Brandt's classes, also. (2) A beautiful interpretation of the Skater's Waltz as performed by the entertainer's class. (3) A Fourth of July celebration in the winter? (4) As usual Hollis Weid and Ellen Baylor display their energy. (5) Poor Mrs. Conway! She has to accompany Paul Peterson, Fred Hildgers, and John Martin to the office.

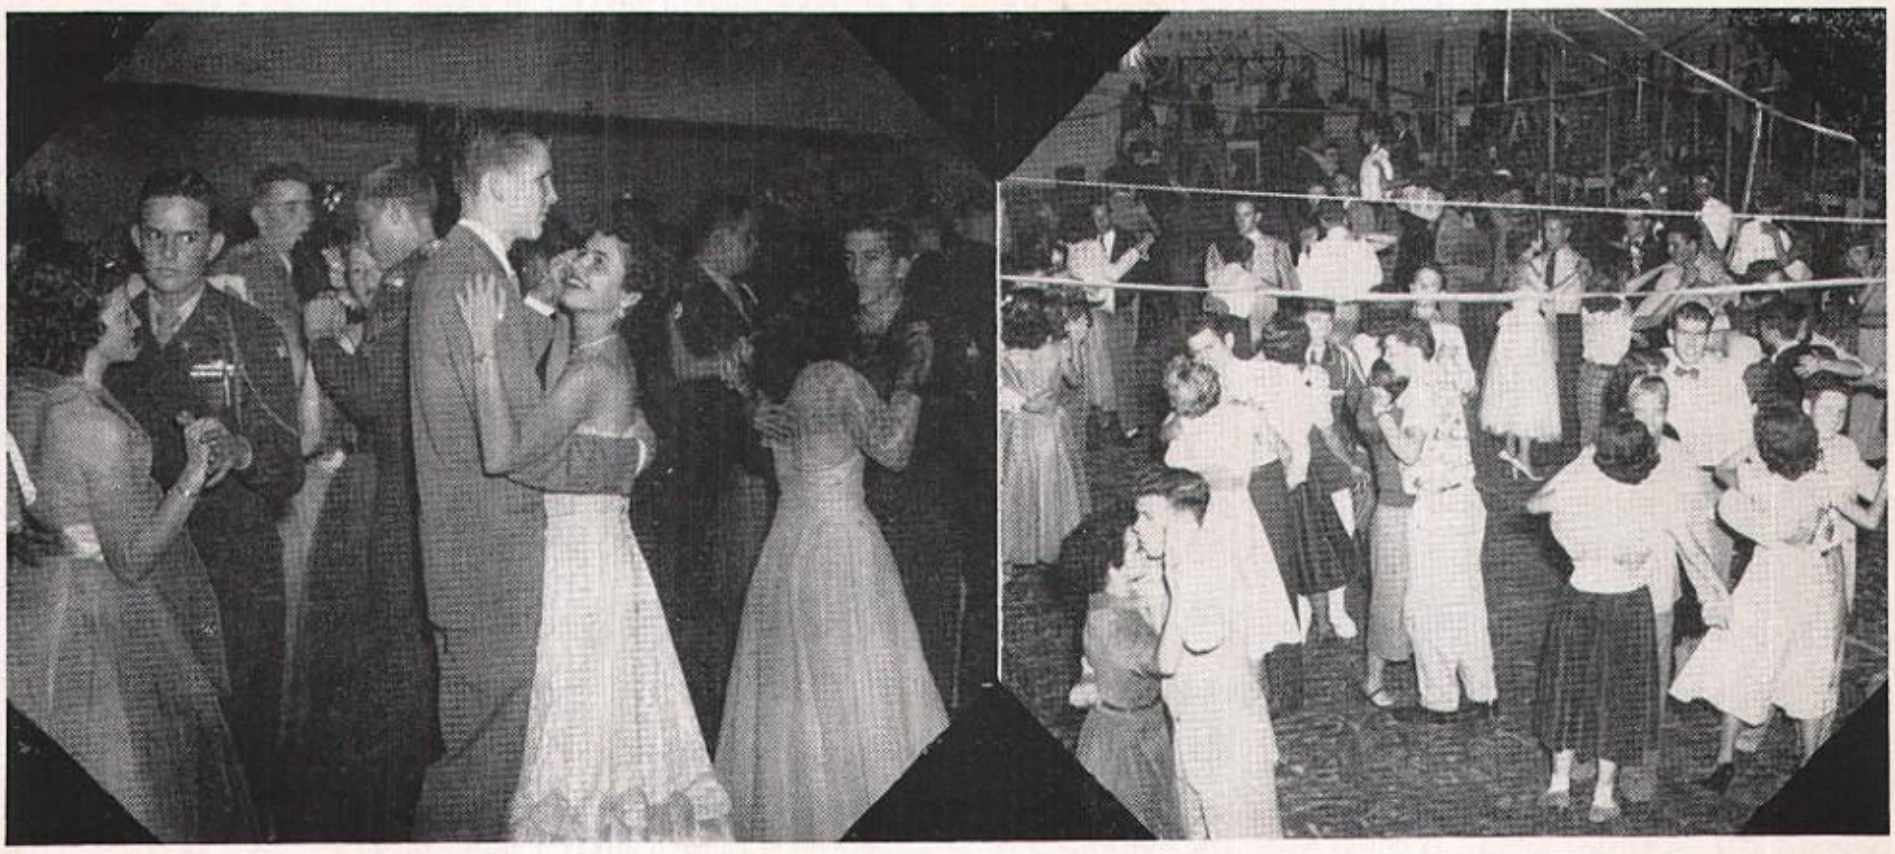
Dance

Always creating a holiday air are the Brackenridge dances. Dreamy music and gay laughter combined with exquisite decorations provide a perfect holiday mood. *Left*: The Sweetheart Prom is typified by Junior Class officers Pat Gerlach and Gary Heyland. *Upper Left to Right*: Couples glide across the floor at the Frosty Fantasy.

Dates



Be My Valentine is a fitting title for this picture from the Sweetheart Prom. Such adoring glances were typical at the Military Ball. Brack football players celebrate the end of football season by "whooping it up" at the Pigskin Prom. *Right:* Junior class officers and dates break through a gaily decorated heart at their annual dance.

National Honor Regents: Marilyn Kramer, 1951, Claudia Lopp, 1952.

Honor

The National Honor Society was organized in 1920 for the purpose of encouraging and recognizing the hard-working pupil who showed leadership, character, scholarship, and service while in high school. The Brackenridge chapter, No. 126, was originated in 1924. The society unifies the method of rewarding merit and furnishes a universal means of detecting outstanding students when they enter higher institutions of learning.

In the Senior Class of 1952 there were 374 students, fifty-two of which were elected into the society. The upper one-third, 119, of the class was eligible for membership. The first faculty vote elected the forty students having the highest number of votes, automatically. The thirty-nine having the lowest number of votes were dropped, leaving the middle forty for the second ballot. Every eligible student suffered through the second ballot, not knowing whether he was on the ballot, was elected, or was dropped. The select few were announced after the count of the second ballot.

With this group go the leaders of tomorrow, carrying with them the desire to make greater strides toward world peace.

1952 Officers

Left to Right: — Jerry Katz, Sgt.-at-Arms; Mona Martin, Historian; Claudia Lopp, President; Sharon Rice, Secretary; Mickey Lewis, Vice President; Lois Nell Janicke, Treasurer; Barbara Satterfield, Sgt.-at-Arms.

Handy-Andy Super Markets are located so that you may be served by them wherever you may be in San Antonio. By patronizing Handy-Andy you are helping to build a greater San Antonio because Handy-Andy is owned and operated by San Antonians. In each Handy-Andy Super Market you will find a grocery department, meat department, fruit and vegetable department, bakery department, and a drug department.

The younger generation is also "hep" to Handy-Andy's everyday low prices.

USKON turns home heating upside down!

AMAZING ELECTRICAL CEILING PANELS } warm you from above, like the sun

HEALTHIER—It gives uniform warmth from head to foot...keeps floors toasty warm...provides natural humidity ...eliminates drafts...and assures fresher air.

SAFE AND TROUBLE-FREE—Now you have electric heat completely free from burns or electrical shock. Plus individual room control at the flip of a switch.

USKON PANELS WARM UP QUICKLY. Thin USKON panels are a finished product ready to install as the ceiling surface. They are more efficient and more economical to operate than electrical radiant systems buried in plaster or concrete.

MAKES YOUR HOUSE MORE BEAUTIFUL—USKON eliminates radiators, wall heaters, pipes, furnaces, fuel storage, haulage of ashes, maintenance servicing, replacement of parts and other nuisances connected with conventional heating systems.

IF YOU HAVE ROOMS in your present house that your heating system does not adequately heat, install USKON in those rooms. The panels are excellent for heating bathrooms, game rooms, basements, attics and additions to the house.

Panels and Method of Installation approved by Underwriters' Laboratories.

It has been said that a person should do what he likes to do; but, the catch is, how is he to know what he likes to do best? He cannot try everything. The practical thing to do is to get all the facts, consider carefully the best opportunities for you *personally* — take everything into consideration — time, money, ability — and then decide.

In Recognition

Through the enthusiastic efforts of the La Retama ad salesmen, our 1952 advertising sales have reached a new peak. The efforts of these salesmen and the excellent co-operation of the San Antonio merchants, businessmen, and our friends has made the publication of this edition possible.

Added to those of the 1952 Staff come my wishes to you for a "Happy Holiday Season!"

Dear Miss Richter,

I want you to know that it has been really wonderful being in your advisory. You have served as a sort of second mother to us. You have helped us with our problems and laughed with us when we were happy.

I think you are wonderful and I hope you will always remember your advisory of 1952.

Good luck and God Bless You.

Sincerely,
Wayne Robertson,
President
